

History Monthly

"One flag, one land, one heart, one hand, one Nation, evermore."

-Oliver Wendell Holmes

VOTP Student Highlight

This month as a class we decided to honor veterans and those that have served by putting flags out on the front lawn. Some students bought flags and dedicated them to those they know that have served. We printed off the name tags and put them on the flags before placing them in the front yard of the school. The flags were organized in rows so everyone who drove by could see the flags and the veterans we honored.

This Month in History

On November 22, 1963 John F. Kennedy was assassinated. He was riding in a presidential motorcade through Dealey Plaza in Dallas, Texas. John F. Kennedy was the 35th president of the United States and did many great things for this country. He was also the first Catholic president of the U.S.

Catholic Corner

The month of November starts with All Souls Day on November 2nd. This month is traditionally used by Catholics as a reminder of the diverse members within the church. It is a month of prayer for the souls of the dead.
